

John Lowther

3MP

poem for mark

place words the from failure)
corner
here machine dance across
desk poisoning corridor are from family
wobbles turned
michigan had strange desk passion for
the atomistic fog
some verbs)
many carried car sunk pool some
plebeian
from failure)
corner

another for django

a in
sports
wanted
brother's course
electoral fear cozy part didn't
that
then
fling studio
as anyway
snow meat brother's course
electoral fear cozy part didn't

third and final for the editor of misc proj

there that exist
carried blood
a anyway
didn't full city miners usual totally
feeling's not hardware the the the
empty odd this
history
victory
copper
of of
mall city passionate places phantom from
two
that then
exist
