Allow forth format, gem
The interimshot letterfest
Play to altercations
Summative in form of plenty
Folded latitude

Sell off the color brown
A spouse's shoes / the mountaintop / east birds
Climate-sized to mean wealth overtures
Amend rapt silence of coord. conjunctivitis
Moods go by all wafer long and short straw,
Waft by morning's guess

Risk trust / at once
Atone for this and that found orifice
In real time,
Fallen evanescent leaps disrobe fixation hubris
Points of plot starts
Tender me across dissention

I am on your roster evermore
With this cheap pen,
Reading and thought walks
Rinse day after IRL's own power apps
Spike reflexively
Live of course
Then write about it longitudinally
